

8 Slot Braiding Ring Kit

Kit contents: 7 coloured yarns, 7 plastic bobbins, braiding ring

1. Wrap each yarn onto a bobbin leaving yourself about 30cm (1 foot) loose and lock into a slot on the bobbin.
2. Tie the 7 yarns together at the end with a simple knot. (Figure 1)
3. Poke the knot down through the hole in the centre of the braid ring and lock each into a slot on the ring, leaving one slot empty.
4. Take the yarn from the slot 3 places anti-clockwise of the empty slot and move it into the empty slot. Refer to Figure 2, this will be position 5 to position 8 in the diagram.
5. Continue in this manner (Figures 3 & 4) then repeat taking the 3rd place anti-clockwise of the empty slot into the empty slot.
